Excess Usage GigaComm's FFW Service is an unlimited internet service – there are no time restrictions and no excess usage charges. Our "Acceptable and Fair Usage Policy" applies.

Billing Information

Billing Charges

Bills are sent each month to your registered email address, free of charge.

Billing Date

Billing periods start on the 25th of each month, and end on the 24th of the following month. We will bill you in advance for the Minimum Monthly Charge, and in arrears for any usage charges. Invoices are sent a few days after the start of each billing period.

First Bill Charges

Your first monthly invoice shows transactions for the following:

- Installation. The installation fee, and any payments you made to us prior to installation.
- Part-period fees. For new customers, it is likely you will join us part-way through a billing period. We charge you for the portion of that period from the day after your installation to the end of the current billing period.
- Next period fees. The monthly fee for the next billing period.

Payments

You will continue to be billed for the Service until you contact us to cancel the service. Your service may be restricted if you fail to pay your bill on time.
