Information about this service

Where is it available?

GigaComm uses parts of the Telstra Mobile Network that covers 97% of the population with 4G and more than 98.8% of the population with combined 3G and 4G, covering 1.62 million square kilometres in Australia.

What do I need to access the service?

You will need a device that will accept the SIM card and supports 3G-850Mhz and both 4G 1800Mhz and 4G 700Mhz bands.

Minimum term of the service

This is a month-to-month service with no contracts. If you wish to change to a plan of higher or lower value, the change will take place at your next renewal date.

Do I have to bundle anything with the service?

No, you do not have to bundle anything with this service.

Qualifications

Please note that this service may be suspended and/or cancelled if you fail to pay your bill, you are abusive to our staff or you breach our "fair use" policy available on our website.

Voice calls, SMS and MMS are not available on this service.

In Australia, data usage will not work on your phone once you hit your limit. Top-ups are available on request by calling our customer care team on 1300 004 442. For international data usage see "international roaming".

Information about Pricing

Monthly Charges

Refer to the above table.

Equipment Fees

You will need a GigaComm SIM card to use this service. Your first SIM card for any service is free and will be mailed free of charge.

Replacement SIMs will cost \$15 including express postage.

Other costs

Auto Data Bolt-on and Manual Data bolt-on of 1 GB are available for \$10 for each bolt-on.

You may choose to bring your phone number over from another provider at no cost.

Billing Information

Billing Charges

Bills are sent each month to your registered email address, free of charge.

Billing Date

Your bill is generated on the 25th of each month. We will bill you in advance for the Minimum Monthly Charge, and in arrears for any usage charges. Usage is measured from the 28th of each month to the 27th of the following month.

Service will be activated once you receive the SIM card and contact us for activation.

First Bill Charges

Your first bill will include:

- Charges for part of the month from when your service was activated to the end of that billing cycle;
- The minimum monthly Charge in advance for the next billing cycle; and
- Any additional charges for non-recurring items used during that billing period

Payments

You will continue to be billed for the Service until you contact us to cancel the service. Your service may be restricted if you fail to pay your bill on time.
